FIELD MEMORANDUM SCS-1128-A

Re: Correction of FM SCS-1128

February 11, 1949

TO ALL RANKING FIELD OFFICERS:

On January 25, 1949, Field Memorandum SCS-1128 was distributed to all Soil Conservation Service offices. This memorandum listed field memoranda to be cancelled, and attached a list of current field memoranda that are active. Due to an error the cancellation list included Field Memorandum SCS-1100.

Please make the necessary change in your copy of Field Memorandum SCS-1128 to reinstate FM SCS-1100; that is, it should be stricken from the cancellation list, and by means of a pen and ink change added to the list of active field memoranda.
